

The SKJAJA Fund's mission is to provide underprivileged children in Chapel Hill and Carrboro, NC the opportunity to participate in social and educational enrichment activities such as, but not limited to: team sports or camps, art or dance classes, educational camps; school band/orchestra, etc. Each child who receives funding is asked to "pay it forward," or do a good deed for someone else without expecting anything in return. The SKJAJA Fund is a 501(c)(3) non profit organization.

PAY IT FORWARD IDEAS

Following are some ideas of pay it forward projects a recipient can do. We do ask that the pay it forward project not be something they have already committed to through school or church. We want them to perform a particular task for a person or group that acts as "pay back" for the money they received. Please call/email with any questions, because there are always ways to help others no matter what our own circumstances.

Kindergartners-2nd grade

- Clean up school grounds or neighborhood (one recipient picked up trash on walks with grandmother)
- Plant garden at school or neighborhood
- Assist neighbor with chores
- Make valentines or cards for children in hospitals

3rd-5th grade

- Clean up school grounds or neighborhood
- Plant garden at school or neighborhood
- Assist neighbor with chores
- Make a housewarming gift for a new neighbor
- Read to or help younger student with homework

6th-8th grade

- Assist younger students with a project (ie: one recipient helped a 1st grade class plant a garden at their school)
- Volunteer at elementary school (one recipient volunteered at summer camp at her elementary school)
- Assist teacher after school
- Babysit for free
- Mow the lawn for a family friend
- Make a housewarming gift for a new neighbor

9th-12th grade

- Tutor other students
- Assist teacher after school
- Babysit for free
- Mow the lawn for a family friend
- Volunteer at a non-profit
- Run a canned food drive or book drive for less fortunate children
