"Pay it Forward" project _____

Please record your "pay it forward" community service hours below. See 'garden' example below.

DATE	ACTIVITY	HOURS	INITIALS
11/15/16	Weeded & watered garden	2	CKW

Below are some ideas of "pay it forward" projects. We also host "SKJAJA Saturdays" which are group community service projects. Ask your social worker or SKJAJA Rep for details. We ask that the project not be something they have already committed to do through school or church. We want the task to act as "pay back" for the money received. Please call/email with questions, because we can always help others no matter our own circumstances.
